From the Principal's Desk

Happy Summer! It's been an incredible week of celebrations here as we bid farewell to our graduates, and wrap up another successful academic year. Congratulations to our PreK students as they take the exciting step up to Kindergarten, and to our 8th graders as they embark on their high school journeys. It's been a joy to watch them grow and learn, and we're immensely proud of all their achievements. Additionally, our K-7 students had a blast at Field Day and their Class Picnics today!! We have had a wonderful year and are so thankful for your support and assistance in making this year such a success.

We extend our heartfelt thanks to Ms. Forline and Mr. McGarrity as they move on from our school. A special acknowledgment also goes to Mrs. Dilorio for her outstanding leadership as our HASA President over the past two years. Your contributions have been invaluable to our community!

As we look ahead to the upcoming school year, we're excited to announce some changes. Mrs. Mallonee and Mrs. Laster will be taking on the roles of 6th grade Homeroom teachers. A special thanks to Mr. Croughn and Mr. Llufrio for helping out with that this past year. We've also hired a new 8th grade HR teacher who will teach Middle School ELA and Religion, an additional ELA teacher to ensure we have 3 ELA groups for middle school, and an Art Teacher. We're still in the process of filling our Math position and will continue interviewing until we find the right fit.

Summer Work was sent home with all children this week and is a **requirement for all returning students**. All work will be collected their first week back to school, so please encourage your child to work on it over the course of the entire summer, rather than waiting until the last minute.

Student Insurance- The Office of Risk Management for the Archdiocese of Baltimore offers a voluntary student accident plan for school families to purchase. This coverage is an inexpensive way for families to cover co-pays, high deductibles, and may even provide accident coverage in the event that no other health coverage is available. To learn more about this plan, please visit www.archbalt.org/risk, and then select SCHOOLS in the red and blue menu at the bottom of the page. From there, select Student Accident Plan for the Brochure and enrollment links.

Don't forget to order your [uniforms and purchase school supplies](#) so that you have them ready to go for the Fall!

We wish you all a safe, relaxing and wonderful summer. The next Wolffpack Weekly email will come out on July 17th.
