ST. JOSEPH SCHOOL FULLERTON

Woffpack Weekly

What's Coming Up @SJS-Fullerton!

From the Principal's Desk

Dear Families,

Happy Feast Day to St. Joseph, our Patron Saint! Today we had a beautiful Mass celebrated by our Pastor, Father Jesse, and a special presentation of traditional foods and religious symbols by our 5th graders in honor of St. Joseph. At the end of Mass, we recognized all of our Middle School students who earned Honor Roll in the second trimester.

Our Lenten Mission

As we prepare for Easter, please join us in these activities happening on campus over the next 40 days:

- Adoration: Every Friday in the Church from Noon-5pm

Grandparent's Day - Wednesday, March 26th

Please save the date for Grandparent's Day on Wednesday, March 26th. Grandparents will join us for Mass at 8:30am, followed by light refreshments and performances by each grade in the Parish Center. Following the performances, Grandparents are invited to visit their grandchild(ren) in their homeroom from 10:30-11:30am. Grandparent car magnets will be available for sale for \$5 (cash or check). [ALL GUESTS MUST RSVP HERE](#) prior to Monday, March 24th. This link will expire at 3pm on March 24th.

** Please note that each Grandparent will need to have their ID scanned if they have not done so already. They can do this during school hours between now and Monday, March 24th when registration closes. The main office will be open from 8am - 3pm on Friday, March 21st for anyone who needs to have their ID scanned. If they cannot do so in advance they must have it with them when they arrive for Grandparent's Day. **Please note that waiting in line to have a driver's license scanned will cut into the performance and visitation time.** Please share which homeroom(s) your child(ren) are in with Grandparents who will be attending Grandparent's Day.

Germs, Germs, Germs

We have recently had a lot of sick students. In an effort to keep everyone as healthy as possible, we ask to keep the following in mind:

- ~ Do not send students to school if they are sick.
- ~ Sick individuals should stay home for at least 24 hours after they no longer have a fever **without the use of fever-reducing drugs** like acetaminophen (Tylenol). Keeping children with a fever at home will reduce the number of people who may get infected.
- ~ Wash hands frequently
- ~ Cover your mouth and nose when coughing or sneezing
- ~ Know the signs and symptoms of the flu. Symptoms of the flu include fever (100 °F, 37.8 ° C or greater), cough, sore throat, runny or stuffy nose, body aches, headache, and lethargic. Some people may also vomit or have diarrhea.
- ~ If your child exhibits symptoms associated with influenza such as a fever (100 °F or higher), please consult your primary care physician for evaluation.
